Dear Supervisors:

**LONG-TERM DISABILITY, SURVIVOR INCOME BENEFIT, AND SHORT-TERM  
DISABILITY CLAIM ADMINISTRATION SERVICES CONTRACT  
(ALL DISTRICTS) (3-VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Mayor to sign the attached Contract with Sedgwick Claims Management Services, Inc. (Sedgwick), to provide Long-Term Disability (LTD), Survivor Income Benefit (SIB), and Short-Term Disability (STD) claim administration services for the three-year term, from January 1, 2007 through December 31, 2009, with a provision for three optional, one-year renewal extensions at an initial annual fee of \$1,144,296.
2. Authorize the Chief Administrative Officer (CAO), or his designee, to approve and execute all renewal options, extensions, and change notices pursuant to this Contract.
3. Instruct the Auditor-Controller to make payments for services provided, pursuant to this Contract, as invoiced and validated by the CAO.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Since 1987, the County of Los Angeles (County) has utilized the services of a third party claim administrator to process employee LTD and SIB claims, as well as MegaFlex STD claims when that benefit was implemented on January 1, 1991. Approval of this Contract will ensure continuation of these necessary claim administration services.

### Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan goals of Organizational Effectiveness and Fiscal Responsibility.

### **FISCAL IMPACT/FINANCING**

Costs for these claim administration services are provided for in the Fiscal Year 2006-07 Adopted Budget, and are partly offset by monthly premiums paid by the Plans' participants through payroll deductions.

In accordance with County policy, the Contract contains a cost-of-living adjustment, whereby the CAO may increase Sedgwick's yearly compensation capped at the lesser of the general salary movement percentage for County employees, or the Consumer Price Index for Urban Consumers (CPI-U).

### **FACTS AND PROVISIONS**

Effective January 1, 2001, your Board approved a contract with VPA, Inc. (VPA), to provide claim administration services for the County's LTD, SIB, and STD Plans.

VPA was acquired by Sedgwick on May 16, 2006. The existing contract expires on December 31, 2006.

The contracted services include the processing of claim applications, determining eligibility for benefit payments, servicing of accepted claims, computing benefit payments, providing check processing and tax reporting services, assisting County return to work efforts, and functioning as the County advocate in appeals of claim decisions.

The term of the Contract is for three years and includes a provision, whereby the CAO may annually extend the Contract for up to three, one-year periods.

The Contract has been approved as to form by County Counsel. The Contract contains all required Board, CAO, and County Counsel provisions, including the County's Child Support Compliance Program, Consideration of GAIN/GROW Participants, Contractor Non-responsibility and Debarment, and Contractor Employee Jury Service and Safely Surrendered Baby Law.

This is not a "Proposition A" contract, and therefore not subject to the County Living Wage Program (*Los Angeles County Code* Chapter 2.201).

The Community Business Enterprise information form is attached (Attachment I).

### **CONTRACTING PROCESS**

On May 25, 2006, the CAO issued a Request for Proposals (RFP) for LTD, SIB, and STD claim administration services. Notice was sent to 125 third party claim administrators. The RFP was advertised in the *Los Angeles Times*, *La Opinion*, *Lynwood Journal*, *Acton/Agua Dulce News*, and posted on the County's website (Attachment II).

On July 10, 2006, a mandatory Proposer's Conference was held and attended by five potential administrators. Only Sedgwick's proposal was received.

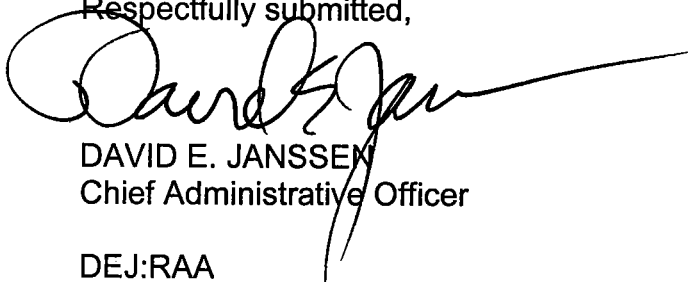

### **IMPACT ON CURRENT SERVICES**

Approval of this new Contract with Sedgwick assures these critical services continue without interruption.

### **CONCLUSION**

Upon approval by your Board, please return two signed originals of the Contract and one stamped adopted copy of the letter to the CAO Risk Management Branch, attention Rocky A. Armfield, County Risk Manager.

Respectfully submitted,

DAVID E. JANSSEN  
Chief Administrative Officer

In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

- 8.27.3 The Contractor shall take action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- 8.27.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, or physical or mental disability, marital status, or political affiliation.
- 8.27.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the

end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

- 8.27.6 The Contractor shall allow County representatives access to any Contractor records submitted to the Equal Employment Opportunity Commission or California Department of Fair Employment and Housing during regular business hours.
- 8.27.7 If the County finds that any provisions of this Paragraph 8.27 have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.27.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

## **8.28 NON EXCLUSIVITY**

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor except as provided herein.

**8.29 NOTICE OF DELAYS**

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business (1) day, give notice thereof, including all relevant information with respect thereto, to the other party.

**8.30 NOTICE OF DISPUTES**

The Contractor shall bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Chief Administrative Officer, or designee shall resolve it.

**8.31 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT**

The Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

**8.32 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW**

The Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in *Exhibit I* of

this Contract and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

### **8.33 NOTICES**

All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in *Exhibits E - County's Administration and F - Contractor's Administration*. Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The Chief Administrative Officer shall have the authority to issue all notices or demands required or permitted by the County under this Contract.

### **8.34 PROHIBITION AGAINST INDUCEMENT OR PERSUASION**

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

### **8.35 PUBLIC RECORDS ACT**

8.35.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Sub-paragraph 8.37 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California

Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

#### **8.36 PUBLICITY**

- 8.36.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of

the County's Project Director. The County shall not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Sub-paragraph 8.36 shall apply.

#### **8.37 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT**

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, employee timecards, sign-in/sign-out sheets, including but not limited to, records relating to required experience, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be made available by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 8.37 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.37.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's

maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

- 8.37.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter

unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

#### **8.38 RECYCLED BOND PAPER**

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

#### **8.39 SUBCONTRACTING**

8.39.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance written approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.39.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every

Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

- 8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.39.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.39.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees.
- 8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.39.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to:

Chief Administrative Office  
Risk Management Branch  
Chief, Occupational Health and Disability Management  
3333 Wilshire Blvd., Suite 1000  
Los Angeles, CA 90010

before any Subcontractor employee may perform any work hereunder.

#### **8.40 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM**

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Sub-paragraph 8.42 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

#### **8.41 TERMINATION FOR CONVENIENCE**

8.41.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than forty-five (45) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Sub-paragraph 8.37, Record Retention & Inspection/Audit Settlement.

## **8.42 TERMINATION FOR DEFAULT**

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Project Director:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Contract in whole or in part as provided in Sub-paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Sub-paragraph.

8.42.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.42.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.42.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.42, or that the default was excusable under the provisions of Sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as

if the notice of termination had been issued pursuant to Paragraph 8.41 - Termination for Convenience.

8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.43 TERMINATION FOR IMPROPER CONSIDERATION**

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

#### **8.44 TERMINATION FOR INSOLVENCY**

8.44.1 The County may terminate this Contract forthwith in the

event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the County provided in this Paragraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE**

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

#### **8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds as soon as is reasonably possible after receiving notice of non-allocation.

#### **8.47 VALIDITY**

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

#### **8.48 WAIVER**

No waiver of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.49 WARRANTY AGAINST CONTINGENT FEES**

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established

commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

#### **8.50 MEDICAL RECORDS AND INVESTIGATIVE SERVICES**

Contractor shall pay for the review of and/or copying of medical records, and investigative services as required by Appendix B, Statement of Work, Sections I, II, and III.

#### **8.51 INDEPENDENT MEDICAL EVALUATIONS**

Contractor shall secure and pay for independent medical evaluations (including medical examinations and tests). The County will reimburse the Contractor if these expenses are applied on a monthly invoice within three months of the invoice from the medical group performing these services.

#### **8.52 IMPROPER ACTS OR FAILURE TO ACT**

Contractor shall reimburse the County for overpayments which County paid or is required to pay as a result of Contractor's act(s) and/or omission(s) which violate any provision of this agreement, or which fail to comply with the general standards of care and generally accepted practices in the disability claims administration industry.

Contractor shall not be required to reimburse County if Contractor's act(s) and/or omission(s) resulted from following express instructions from an authorized County representative.

### **9.0 UNIQUE TERMS AND CONDITIONS**

#### **9.1 OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT**

- 9.1.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are created by the Contractor primarily for the County's use, or at the County's direction, pursuant to this Contract. The Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in the County all of the Contractor's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to the Contractor's work under this Contract.
- 9.1.2 During the term of this Contract and for five (5) years thereafter, the Contractor shall maintain and provide security for all of the Contractor's working papers prepared under this Contract. County shall have the right to inspect, copy and use at any time during and subsequent to the term of this Contract, any and all such working papers and all information contained therein.
- 9.1.3 Any and all materials, software and tools which are developed or were originally acquired by the Contractor outside the scope of this Contract, which the Contractor desires to use hereunder, and which the Contractor considers to be proprietary or confidential, must be specifically identified by the Contractor to the County's Project Manager as proprietary or confidential, and shall be plainly and prominently marked by the Contractor as "Propriety" or "Confidential" on each appropriate page of any document containing such material.
- 9.1.4 The County will use reasonable means to ensure that the Contractor's proprietary and/or confidential items are

safeguarded and held in confidence. The County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of the Contractor.

9.1.5 Notwithstanding any other provision of this Contract, the County will not be obligated to the Contractor in any way under Sub-paragraph 9.3.4 for any of the Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Sub-paragraph 9.3.3 or for any disclosure which the County is required to make under any state or federal law or order of court.

9.1.6 All the rights and obligations of this Paragraph 9.3 shall survive the expiration or termination of this Contract.

## **9.2 PATENT, COPYRIGHT & TRADE SECRET INDEMNIFICATION**

9.2.1 The Contractor shall indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure by the Contractor, arising from or related to the operation and utilization of the Contractor's work under this Contract, provided that such infringement does not arise out of the County's negligent use or modification of the intellectual property. County shall inform the Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support the Contractor's defense and settlement thereof.

9.2.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, the Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:

- Procure for County all rights to continued use of the questioned equipment, part, or software product; or
- Replace the questioned equipment, part, or software product with a non-questioned item; or
- Modify the questioned equipment, part, or software so that it is free of claims.

9.2.3 The Contractor shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by the Contractor, in a manner for which the questioned product was not designed nor intended.

### **9.3 TERMINATION OBLIGATIONS**

Contractor is providing services to County on a life of contract basis. If requested by County, Contractor will continue to process County's claims remaining open at the expiration or termination of this Contract, if any, provided that County shall continue to make adequate funds available for the payment of such claims, including any allocated loss adjustment expenses and pay information technology and data tape fees. This provision shall not apply unless the additional fee for this service shall have been negotiated and agreed to in writing prior to the effective date of termination.

### **9.4 NETWORK SECURITY/CONFIDENTIALITY**

- 9.4.1 If County's access to JURIS requires a network connection (the "Network Connection") between County's wide area network and Contractor's wide area network, Contractor and County shall take reasonable and customary precautions to prevent unauthorized access to or use of the Network Connection through their respective networks. The County and Contractor agree, however, that County and Contractor are responsible for the security of their own network. Neither County nor Contractor shall be liable to the other for unauthorized access to the Network Connection, so long as County or Contractor shall have taken reasonable and customary precautions to prevent such unauthorized access.
- 9.4.2 Whether or not as such, and without regard to the media in which such records are stored, "Confidential Information" shall mean:
- 9.4.1.1 Any business or technical information pertaining to the County and the Contractor herein or to third parties, which is furnished, disclosed or made available by one party to the other, including, without limitation, specifications, prototypes, software, marketing plans, financial data and personnel statistics; and
- 9.4.1.2 Medical records, reports and information, as well as any other non-medical records, reports or information pertaining to claimants under the Program.
- 9.4.3 The County and the Contractor agree to protect Confidential Information received hereunder with the same degree of care that the County and the Contractor exercise with their own confidential information (but in no event less

than reasonable care) and to limit access and disclosure of Confidential Information only to their employees, agents and contractors who have a "need to know," and who agree to maintain confidentiality in accordance with this section. Notwithstanding the foregoing, County agrees to permit Contractor to compile and disseminate aggregate, de-identified information for benchmarking purposes or forward to a data collection facility data for Qualified Claims handled pursuant to this Contract, provided that such facility agrees in writing to keep County's data confidential. Further Contractor shall be entitled, without violation of this section and without the prior consent of County, to retain claims administration information and to forward claims administration information to government agencies to the extent required by law for the proper performance of the services set forth herein.

IN WITNESS WHEREOF, Contractor has executed this Contract, or caused it to be duly executed and the County of Los Angeles, by order of its Board of Supervisors has caused this Contract to be executed on its behalf by the Chair of said Board and attested by the Executive Officer-Clerk of the Board of Supervisors thereof, the day and year first above written.

For employees with less than five (5) years of continuous County service, the disability must be a direct result of the employee's County job.
- 1.2 Offsets: The LTD benefit is reduced by other income benefits the employee receives for the same period such as workers' compensation and County retirement benefits. Although the Plan includes offsets for Social Security Disability benefits and State Disability Insurance benefits, the County does not participate in either the Social Security or State Disability Insurance programs, and therefore, most employees are not entitled to benefits from these sources.
- 1.3 Disability Defined: The LTD Plan has two separate definitions of disability. For the qualifying period and the first twenty-four (24) months of disability benefits, "total disability" is defined as the complete and continuous inability and incapacity of the employee to perform the duties of his or her position with the County. After the expiration of twenty-four (24) months of eligibility for benefit payments, "total disability" means that the employee is disabled within the meaning of the Federal Social Security Act.
- 1.4 Maximum Period of Benefit Eligibility: Benefits terminate at age 65 unless the employee's disability commences at age 62 or later in which case the benefit payments may extend for a longer period beyond age 65 (or be limited to one (1) year if disability commences at age 69) according to the Plan schedule.
- 1.5 LTD Health (LTDH) benefit provides a benefit of 75% of the monthly medical insurance premium the employee previously elected and uses while the employee is receiving LTD benefits. This supplement is an elected option available to employees for a monthly payroll deduction. Contractor to provide LTDH benefit participation data (detail to be determined later) to Employee Benefits Division Contractor as needed.

**2.0 MEGAFLEX LONG-TERM DISABILITY PLAN:**

The MegaFlex Plan benefits are nearly identical to the regular LTD benefits except that employees may elect either 40% or 60% benefit coverage, and there is no work-related requirement for employees with less than five years County service. For employees with more than five (5) years of County service, that are members of Retirement Plan E, they qualify for a 40% core benefit.

**3.0 DETERMINATION OF ELIGIBILITY**

- 3.1 Upon receipt of the Absence report from the County, the contractor has seven (7) calendar days to send an application packet to potential claimants.

- 3.2 If there is no response in thirty (30) days, a reminder notice is sent to potential applicants advising them to send their eligibility for LTD benefits could be terminated if the application is not received within sixty (60) days of the date of the letter.
- 3.3 Upon receipt of an application for LTD benefits, a file is set up. MegaFlex claim files must be differentiated from regular LTD claim files. There should be a separate file for each date of disability.
- 3.4 Secure and review information required for the eligibility determination including the following:
- Employee's date of hire and salaries paid for the twelve (12) months preceding the date of disability.
  - Retirement plan membership and current retirement status,
  - STD file, if claimant is a MegaFlex participant,
  - Treating physician's statement from claimant, if not already received,
  - Verification of last day worked before total disability,
  - Workers' compensation records including medical information, investigation and rehabilitation reports for any claim that has a companion workers' compensation file,
  - Proof from applicant that he/she has applied for Social Security Disability benefits,
  - A completed W-4 from the claimant.
- 3.5 Check workers' compensation system (GenComp) for pay information on companion workers' compensation case.
- 3.5.1 Coordinate workers' compensation claim handling and clinical processes to avoid duplicate expense to the County and duplicate documentation efforts to the employee.
- 3.5.2 If there are issues of potential fraud, all investigative efforts must be coordinated with the workers' compensation third party administrator.
- 3.6 In case of medical conflict on disability, lack of supporting medical documentation or the question of occupational causation (non-MegaFlex claimants with less than five (5) years of County service), arrange for an evaluation by an independent medical examiner.
- 3.7 Apply disability management procedures, guidelines and protocols consistently across all cases.
- 3.8 There will be communication of claim approval within five (5) working days of complete claim information, and there will be communication of claim denial within ten calendar days of complete claim information. State the reason for any claim denial and reference the appropriate County Code section, the medical

documents and/or other records. If an application is not complete, the contractor must send the employee a status letter every ten calendar days at the beginning of a claim until there is approval or denial.

#### 4.0 CALCULATION OF BENEFITS

- 4.1 Compute average monthly salary for the twelve (12) months preceding total disability.

- 4.3 Secure information on other income for the period covered that must be offset from the LTD benefit, including payments from the employing department, retirement benefits paid under a County retirement plan, Social Security Disability benefits paid, and outside earned income received for work performed after the date of disability.

The cost-of-living adjustment shall not exceed 2% of the basic monthly benefit.

- 1.1 **Eligibility Requirements:** The Survivor Income Benefit Plan provides an income replacement to an eligible surviving spouse or domestic partner of a County non-MegaFlex employee. The survivor must be eligible prior to the date of death. In the absence of a spouse or domestic partner, income replacement will be sent to a minor child or children of a non-MegaFlex employee who is eligible to receive or is receiving LTD benefits. If an employee has less than five (5) years of continuous County service, his/her death must be a direct consequence of his/her County job.

- 3.1 In-service: Upon receipt of a death notice information from the Department of Human Resources' Employee Benefits Division, set up a survivor file. Information received from another source regarding the death of a claimant should be investigated to assure survivor benefits are not due to the surviving spouse or domestic partner or in the absence of a spouse or domestic partner to the child or children.

Out of-service: LTD claimants no longer in employee status, who are receiving LTD benefits at the time of death qualify for Survivor benefits. Notification of death would come from the claimant's family, from the County's Long-Term Disability Office or a non-County source.

**EXHIBIT A - STATEMENT OF WORK  
SECTION III ---- SHORT-TERM DISABILITY PLAN**

**1.0 SHORT-TERM DISABILITY PLAN (STD)**

- 1.1 Plan Objective: To provide MegaFlex Participants who are disabled because of injury, illness or pregnancy with salary maintenance benefits for a maximum period of twenty-six (26) weeks minus the waiting period purchased during the Annual MegaFlex Benefit Enrollment.
- 1.2 Disability Defined: Under the STD Plan, "Disability" means the complete and continuous inability and incapacity of the Participant to perform the regular duties of his/her position with the County or any full-time modified duties.
- 1.3 Coverage Options: All MegaFlex Participants are automatically covered by the basic STD "core" coverage of 70% of their regular monthly salary, with a waiting period of fourteen (14) calendar days. Additionally elective salary protection may be purchased through payroll deduction as follows:

Seven (7)-day waiting period followed by 100% STD income replacement for twenty-one (21) days, with 80% income replacement for the remainder of the STD period.

- 1.4 To file a claim a MegaFlex Participant must: a) see their physician, b) contact the claims administrator by telephone or the Contractor's internet website, and c) have their physician contact the claims administrator. The claims administrator will then adjudicate the claim, and, if approved, send a formal e-mail notification to the affected line Department payroll unit. The payroll unit will then submit the necessary payroll documentation to the Auditor-Controller who will issue the benefit payments through the payroll system on regular County paydays.

In some cases, written documentation from the employee's physician will be required. This may happen when the duration of a disability seems excessive, or when the claim is otherwise questionable.

- 1.5 STD to LTD Transition: In order to ensure a smooth transition, twenty-six (26) weeks is defined as one hundred eighty-two (182) days from the first date of disability and, under MegaFlex LTD, the six (6) month Waiting Period is to be considered as one hundred eighty-two (182) days from the same date of disability. Therefore, LTD benefits should begin accruing on the one hundred eighty-third (183<sup>rd</sup>) day, i.e. the day after the STD benefits cease.

**2.0 APPLICATION FOR BENEFITS**

- 2.1 The Contractor, at their expense, shall have a twenty-four (24) hour toll-free (800) telephone line for receiving County of Los Angeles STD claim reports: for claimants and for medical professionals. This toll-free line should be set to include area codes in Los Angeles County, San Bernardino County, Orange County, Riverside County, Ventura County, and Kern County.
- 2.2 When an employee calls to report a claim, the following information must be obtained for eligibility determination including the following:

- The employee is a MegaFlex participant.
  - Employee identification data (employee number and department number).
  - Dates and probable duration of disability.
  - See Sections 7.1 below for a checklist of data to be obtained.

  - Review diagnosis and duration of disability information to determine compliance with standard medical benchmarks for the disabling condition. Obtain additional records and documentation from physician if medical information is insufficient to determine eligibility. Review the information when received.
  - See Sections 3.2, 7.1, 7.2, 7.3, and 7.4 below for a checklist of the data to be obtained.
- 2.8 Late claim penalty. The claimant and the treating physician must provide the third-party administrator with the required information by the last day of the waiting period. Failure to meet this deadline results in the loss of one day of STD benefits for each day the claim is late. This penalty may be waived, given acceptable circumstance (Waiver of Penalty).

- 2.9 STD "Half" claim. Usually a claim initiated by a non-MegaFlex County employee that is ineligible for STD Plan benefits or a claim that can not be completed due to the Contractor not receiving a physician's report.

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
  - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or
  - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
  - 3. A purchase made through a state or federal contract; or
  - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-3700 or a successor provision; or
  - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, section 4.4.0 or a successor provision; or

This chapter shall apply to contractors who enter into contracts that commence after July 11, 2002. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence after July 11, 2002. Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable.

**2.203.050 Other Provisions.**

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

  2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
  3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

**2.203.090. Severability.**

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

**What is the Safely Surrendered Baby Law?**

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

**How does it work?**

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

**What if a parent wants the baby back?**

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

**Can only a parent bring in the baby?**

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

**Does the parent have to call before bringing in the baby?**

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

**Does a parent have to tell anything to the people taking the baby?**

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

**What happens to the baby?**

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

**What happens to the parent?**

Once the parent(s) has safely turned over the baby, they are free to go.

**Why is California doing this?**

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

**A baby's story**

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

***It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.***

### ¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

### ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

### ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### ¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### ¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### ¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### ¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### ¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### ¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

---

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

---

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarnos a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*
